Conference Sessions

Where Technical Excellence Meets Industry Innovation

The NOG Energy Week Technical Seminar is a cornerstone for innovation and knowledge-sharing in the oil, gas, and energy sectors. Designed for technical and engineering professionals, this CPD-certified Seminar features cutting-edge sessions on advanced technologies, breakthrough research, and industry best practices.

Delegates will enhance their expertise, expand practical capabilities, and build intellectual capital through knowledge exchange, practical learning, and positioning themselves at the forefront of energy innovation and project development across the full stream energy value chain.

The Technical Seminar anticipates receiving over 750 abstracts from global contributors, with exclusive content and technical papers to be presented across 14 categories over two impactful days.

Technical Seminar Takes Place

Why Participate?

Lead the Next Wave of Energy Innovation

Be at the forefront of shaping the technologies and standards that will revolutionise oil, natural gas, LNG, power and renewable energies over the next decade.

Solve Critical Industry Challenges

Share actionable solutions addressing operational best practice, infrastructure inefficiencies, and critical challenges facing energy companies today.

Showcase Your Expertise

Present your research, innovations and technical system advancements to an audience of qualified buyers.

Connect with Key Decision-Makers

Engage with project directors, technical experts, and purchasing professionals who influence energy sector investments and procurement.

Stay Ahead of Emerging Trends

Gain early access to emerging technologies and scalable solutions energy companies are actively adopting and deploying.

Collaborate Across Sectors for Integrated Solutions

Work with peers across rigs, plants, pipelines, storage, shipping, data, and AI to develop integrated strategies for the next phase of infrastructure development.

Categories at a Glance

Upstream Categories	 Geoscience	 Onshore & Offshore Field Development	 Drilling & Asset Management
Midstream Categories	 Midstream Infrastructure Development & Facilities Management	 Supply, Distribution, Pipelines & Transportation	 Shipping & Marine
Downstream Categories	 Infrastructure Development	 Generation & End Use	 Industrialisation
Cross-cutting / Sector-wide	 People Development	 Digital Transformation	 HSSE & Project Management
	 Decarbonisation & Sustainability	 Finance & Supply Chain	

Abstract Submission Guidelines

- ✓ Abstracts must be written in English & limited to 500 words.
- ✓ Upload supporting material such as illustrations, graphs, or tables as attachments.
- ✓ Do not submit the same abstract more than once.
- ✓ If your abstract is relevant to multiple categories, please choose the most appropriate category.
- ✓ Multiple submissions are allowed, within the same category or across different ones, however, if selected, each speaker can only present once.
- ✓ Ensure management approval is obtained prior to submission. Clearance issues must be clearly stated at the time of submission.
- ✓ If the abstract has been previously presented, kindly provide the event name, date, and location.

All submitted abstracts will be reviewed by the NOG Energy Week Technical Seminar Steering Committee. Early submission is encouraged to allow sufficient time for review. The final submission deadline is 18 December 2026. Abstracts submitted after this date or those that are incomplete will not be considered.

Important

All abstracts must be submitted through the official online submission portal:
<https://www.dmgeventsconferences.com/nog-energy-week-2027/submitter/login>

Abstract Scoring Criteria

Your abstracts will be evaluated by the Technical Seminar Steering Committee members according to the following grading criteria:

Impact

What industry or organisational impact does your work have? Please include relevant results and/or case studies.

Originality

Your abstract should demonstrate innovation and originality, and contain significant new knowledge, technical results or experience.

Interest & Relevance

How relevant is your submission to the current state of the energy industry? How interesting is the subject matter to the audience and the industry overall? Will it grab their attention?

Abstract Content

A proper review of your abstract requires that it contains adequate information for the Technical Seminar Steering Committee to make a judgment.

How to Submit an Abstract

1. Log in or create an account:
<https://www.dmgeventsconferences.com/nog-energy-week-2027/submitter/login>
2. Enter your paper title and **upload** a 500-word abstract, including any supporting graphics or charts.
3. Review the 14 technical categories and **select** the one that best fits your abstract.
4. Add authors and presenters, then click **“Submit”** to begin the unbiased, two-stage review and evaluation by the NOG Energy Week Technical Steering Committee.

Technical Steering Committee

Dele Aikhionbare
Head - Business Development
Eroton Exploration & Production

Dame Rita Kwentoh
Pioneer Director,
Energy Innovation
ENNPC Limited

Ekeinde Ohiwerei
General Manager,
Technical Division
Nigeria LNG Limited

Daere Akobo
F.IoD, F.IMC, CMC
Group Chief Executive Officer
PANA Holdings

Dr. Effiong Ekanem Attah
Manager, Training & Maritime
Centre of Excellence
NLNG Shipping & Marine Services Limited

Adeshina Adegoke
Lead Engineer
Subsea7

Ebelechukwu T. Chiatula
Lead, Renewable Energies
Research - RTI
NNPC Limited

Akoji Haruna
Account Manager
SLB West Africa

Michele Branco-Aiyegbusi
Executing Partner - Capacity Building & Training Services
True-Blue Energy Services Ltd

Razaq Shuaib
Asset Operations Support (SMART) Manager
TotalEnergies EP Nigeria Limited

Dr. Tina O. Isichei
Director of Research & Development
Petroleum Training Institute

Abanum (Moses) India
Quality Head for SSA
Tenaris

Engr. Yetunde Aladeitan, PhD FNSE
National Chairman
Nigerian Institution of Petroleum Engineers (A division of the Nigerian Society of Engineers)

Effiong Okwong
VP, Digital Solutions - Head,
AM Adoption
RusselSmith

Dr. Oladunni Owo
CEO
Blackgold Energy Authorities & Advisory Consult

Gaius O. Usuh
MD
CTRL System Technologies Nigeria Limited
